Whether you've been walking with Jesus for years or you're just starting out your journey with Him, there are three essentials that form the foundation of the Christian life: The Gospel, The Holy Spirit, and The Local Church.

Join us for our new series, Start Here, as we talk about each of these foundations and grow together in our relationship with God.

Topics and Schedule:

Week 1 – Start With The Gospel

In a world full of information and with the internet at our fingertips, we can find out the answer to just about anything. Having that access can be a good thing, but one needs to remember that what is being accessed is someone's opinion, perhaps based on research, and perhaps not. Regardless, when a person really needs guidance and advice, the Bible is the source of truth; it can be trusted.

Week 2 – The Holy Spirit

Once we become Christians, one of the most important steps we need to take is to invite the Holy Spirit to dwell within our souls. It is the Holy Spirit that will teach us, empower us and gift us. When the Holy Spirit lives in us we can have peace and joy no matter what the circumstances may be.

Week 3 – Start With The Local Church

In a world full of division and sin, a world filled with everyone's opinion, it becomes more important than ever to look to the Bible for truth and answers. And the Bible teaches us the importance of not only the Local Church but belonging to the Local Church. We, together with the church, are the light of the world that cannot be extinguished.
